

**The Results are In!**  
from  
*Aromatica's* First Annual Tea Tasting  
**April 1, 2006**

If smiles are any indicator of a good time it must have been fun!

We hope that grin is because something tasted really good. No – wait a minute – maybe she just had a psychic flash that she was the winner of the door prize – a free 3 month subscription to the "Aromatica Tea of the Month" club. Congratulations!

The tasters have spoken!

It was a close race for first place: Creme Caramel edged out Cream Earl Grey by 0.09 points to be the overall favourite!

Just 0.13 points behind in third place was Japanese Sour Cherry and just 0.17 points behind came Angelwater.

Does it sound like a race – well we wouldn't have wanted to bet on any results but we do want to thank everyone who attended the Tea Tasting for helping us to rank Aromatica's Teas. With 50 varieties to choose from it is hard when new customers ask us what our most popular teas are and now we can tell them!

Top Black Tea: Cream Earl Grey  
Top Green Tea: Japanese Sour Cherry  
Top Herbal Tisane: Angelwater  
Top Rooibos: Creme Caramel  
Top Specialty Tea: Silk Road Chai

\*37 pounds of food donated to the food bank – thanks everyone!
